3 Men in Area Killed in Cars; Others Injured

Funeral services were held at the Truckee Colonia Mortuary Sunday at 2 p. m. for Anthony Charles (Augie) Fisher, 19, of Truckee, killed in an automobile crash near Farad Thursday just before 6 p. m.

Rev. Roy Rhoades officiaed at the rites and burial was in the Truckee cemetery.

Fisher was fatally injured when a new car driven by his brother, Chester P. Fisher, 21, skidded on the rain soaked pavement, crossed the center line of the freeway and struck a car driven by Dennis J. McCleery, 45, of San Bruno, traveling east.

McCleery and the couple's three small children escaped with minor injuries, but Mrs. Glenn Adele McCleery, 38, was taken to the Tahoe Forest Hospital with major injuries. The McCleerys were starting on a vacation trip.

Chester Fisher was also taken to the hospital with moderate injuries.

The accident was investigated by Patrolmen Dan Davis and Edward McCallen.

The victim was a native of California born May 15, 1943 and had lived in Truckee for eight years. He is survived by his mother, Mrs. Woodrow Baker and two brothers, Phillip and Dennis, all of Truckee.

Tragic Accident Fatal to Boehm

Last rites were held in Oroville this week for Edward Eugene (Pike) Boehm, 59, retired popular official of the U. S. Forest Service for 30 years, who drowned during an incident at Donner Lake Saturday evening.

Boehm, who made his home at Oroville, was picnicking at the west end of Donner with his daughter, Mrs. Alden Denney and the latter's two small children. The children were playing in the water when one of them screamed, Boehm leaped into the lake believing she was introuble and collapsed. It was fiirst believed he succumbed to a heart attack but an autopsy revealed drowning was cause of death.

The body was taken to the Truckee Colonial Mortuary and later removed to Oroville for final rites.

Boehm was widely and favorably known, having been with the forest service for more than 30 years after his graduation from the University of Montana where he majored in forestry. He served on the Shasta and Plumas districts before coming to Truckee where he was district ranger between 1948 and 1954 when he went to the Lassen district and worked until his retirement.

He is survived by his wife, Allison, and his daughter and two grandchildren.

LOCAL OFFICERS CHECK STEALING FROM TWO BOATS

Sheriff's deputies were called to Donner Lake last week to investigate the theft of tools and equipment from an outboard motor boat belonging to John Sabini of Reno, superintendent for the Sierra Pacific Power Company. An instrument panel, storm light and tachmeter were taken and the loss was estimated at $100, Sergeant Roy Waters reported.

At about the same time, Waters reports, a steering whel was removed from a boat belonging to Arthur Rich of Sacramento.

Four other boats moored in the same locality were not tampered with.

TWO BOYS BORN IN HOSPITAL HERE

Babies born at Tahoe Forest Hospital in Truckee during this week include a son, Arnold, Jr., to Mr. and Mrs. Arnold Johan Studer of Truckee. He weighed in at 9 pounds, 1 ounce at 6:11 p. m. July 22.

Arriving July 24 at 6:41 p. m. was Mark Radonich Schacht, son of John F. Schachts of North Highlands. Mark tipped the scale at 5 pounds, 13 ounces.

CONVALESCING

Pat Vail, son of Mr. and Mrs. Bill Vail of Soda Springs, returned to his home this week after having spent several days in Tahoe Forest Hospital. He had been thrown from a horse and sustained painful head injuries.

Rescue Children Adrift All Night On Chilly Lake

MEEKS BAY—Weary and hungry, four vacationing children were rescued shortly after dawn on Monday morning after drifting all night in a disabled boat on Lake Tahoe.

The quartet, the oldest 15 years old Laurine Jackson, left Meeks Bay about 7 o'clock Sunday evening to water ski but their 17-foot boat developed engine trouble.

Several boats, under the direction of the U. S. Coast Guard, and two heliocopters from Stead Air Force Base near Reno took part in the search for Miss Jackson and her companions, Scott Eastburn, 13, Twyla Jackson, 10, all from Whittier, and William Ryken, Jr., 12, of Napa.

The night-long search was hampered by the fact that the children had no flare in their crippled craft Shortly after the sun came up, however, they were spotted by a Coast Guard patrol boat and brought safely to shore, little the worse for their ordeal.

H. J. Buck of the Coast Guard said the youngsters were picked up 5½ miles off-shore. Stiff night winds prevented them rowing to safety after the motor failed. Temperatures dipped to the low 40s during the night.

Lodge Guest Back After Six Decades

Chambers Lodge on the west shore of Lake Tahoe welcomed back a former guest of 64 years ago. Mrs. Elizabeth Kreutzmann Humburg, her son and daughter of San Francisco, paid a return visit to Chambers in a much different conveyance this time.

Old guest registers record her first visit as Miss E. Kreutzmann with members of her family from San Francisco, having been a guest on July 7, 1898. Mrs. Humburg was 16 years old at the time.

Now 80 years young, she recalled that the trip was made by stage coach from San Francisco to Tahoe City, and then by boat to Chambers Lodge, known in 1898 as McKinney's.

YOUNG COUPLE IS AT HOME HERE AFTER WEDDING

Mr. and Mrs. Thomas Leroy Casper are at home in Truckee, following their recent wedding in the First Methodist Church at Grass Valley.

The bride, formerly Mary Ann Struckman, is the daughter of Mr. and Mrs. Ernest E. Struckman of Grass Valley. She graduated from Nevada Union High School and attended Sierra College.

Casper is a son of Mr. and Mrs. Kenneth J. Casper, Sr. of Grass Valley. He also attended Nevada Union High School and California Polytechnic College at San Luis Obispo.

McGIHONS TO HOST EXCHANGE STUDENT

The D. L. McGihon family of Truckee has been selected by the American Field Services to sponsor an exchange student from Europe and on August 9 will welcome the arrival of their guest, Claus Brendlin of Larrach, Germany.

The 18 year old high school senior will spend the school year at the McGihon home, attending classes at Tahoe Truckee High School.

Claus will fly to San Francisco where he will be met by the McGihons.

MISSES PARTY

Genie Osburn, who is 10 years old this week, missed the July 17 dual birthdate of his sister, Mrs. John Waller and brother, Jimmie as he was a patient at Tahoe Forest Hospital. We are happy to report that Gene has returned to the home of his parents, Mr. and Mrs. Clarence Osburn.

Bay Guest—

Mrs. Harold Langille returned from Berkeley last week accompanied by Mrs. J. C. Langille who is visiting with her son and daughter-in-law.

From Sacramento—

Sgt. Frank Snyder returned this week from a trip to Sacramento where he was hospitalized for a back injury.

Schools Budget Hearing Slated, Tops $1,380,000

A public hearing will be held at 8 p. m., August 7 on the 1962-63 operating budget for the Tahoe Truckee Unified School District. The meeting will be at the old Trucke elementary school, according to County Superintendent Albert F. Bequette.

The new budget total is estimated at $1,381,689.41 compared with $1,259,406.10 for the previous fiscal period. The average daily attendance at district schools during the recent school year was 1578, while the upcoming budget is based on an estimated daily attendance of 1730.

A detailed tabulation of the new budget and comparative figures for the year prior will be found in a public notice elsewhere in today's Sierra Sun.

Horsemen Push Wagon Train Plan

The Truckee-Donner Horsemen's Association met Monday night at Martis Valley stables, when the main topic was the group's proposed wagon train in connection with the dedication celebration of the Donner Museum September 7, 8 and 9. Wagonmaster James C. McIver is being assisted by Scouts Frank Snyder and Lloyd Van Sickle.

The association is promoting the growing of beards and the adoption of western or pioneer attire by the residents of the north Tahoe, Truckee and Donner area to further publicize the celebration. Anyone interested in participating in the wagon train, the parade or any other feature of the observance may contact the Horsemen at their new headquarters off the lobby of the Alpine Riverside hotel or the Truckee chamber of commerce.

Mrs. Arthur Cook was appointed chairman of ways and means at Monday's meeting. She will be assisted by Lee Hall. Richard Walker was a guest of the evening.

Next week, Ivo Vollmer Jr., executive secretary of the California State Horsemen's Association, will speak. He will discuss insurance coverage, benefits and membership obligations of association members. All are urged to attend this informative session.

NANCY TALLANT, M. D. VEERKAMP TELL OF TROTH

Mr. and Mrs. O. B. Tallant have announced the engagement of their daughter, Nancy, to Maurice D. Veerkamp Jr. of Reno, Nevada.

The birdegroom to be is the son of Mr. and Mrs. Maurice D. Veerkamp Sr. of Placerville.

Miss Tallant was graduated from the El Dorado Union High School and Humphrey's Business College. Her fiance graduated from the same high school and is now employed in Reno.

Woman Arrested On Theft Charge

Violet Mae Williams, 46, Willows, California was booked here Friday on a grand theft charge and released to Nevada officers on a charge of grand theft.

The charges were filed in Elko County by Robert Shoreman of Cedar Rapids, Iowa, who told Sergeant Roy Waters that he was robbed of $2,000 by the woman in an Elko hotel.

The suspect was arrested here after Mrs. Michael Ellis of the Alpine Riverside Hotel told officers a man was tampering with a car parked near there. The man turned out to be Shoreman, who said he was seeking the balance of his money after taking $900 from the suspect in a hotel room where, officers said, the victim threatened the Williams woman with a pistol which later turned out to be a toy.

When taken into custody, Mrs. Williams produced only $21.

Shoreman had $1500 which he told officers he drew from a bank in order to search for Mrs. Williams, whom he found here.

Mrs. Williams waived extradition and was taken to Nevada for a hearing.

Mountain Men Win Six Straight In League Play

Stan Gould pitched a three-hitter and hit a grand slam home run, and Craig Robinson slammed a three run homer in the second game as the Truckee-Tahoe Mountaineers swept a double header from the visiting Lovelock Merchants last Sunday for their sixth straight Sierra Nevada league win.

Gould, who struck out 11 opponents and allowed only one run in the first game, went the entire distance for the Mountaineers. His home run over the right-center field fence came in the final frame with three mates aboard and ended the Tahoe-Truckee scoring.

The Mountaineers jumped to an early 4-0 lead in the first inning of the second contest when Captain Craig Robinson belted a home run with two men on. Lovelock rallied for two runs in the fifth inning and three in the sixth to trail the home team 7-5 going into the last stanza. Reliefer Craig Robinson took over the pitching chores and set the Merchants down in order, to preserve the victory at 7-5.

Butch Tamblyn and Mike Knight led the Mountaineers hitting attack with four hits apiece in the double header.

Next Sunday the Mountaineers will play the Sproul Homes squad at Reno.

Postal Receipts Up 32 Per Cent

One of the best business barometers in any community is the postal receipts, and if this is true, the local area has enjoyed a bit of prosperity.

Postmaster Richard Higgins reports that between June 23 and July 20, recipts at the Truckee office showed a 32 per cent increase over the corresponding period last year and set a new record for the office.

SWIMMER FINDS FUNEREAL URN IN DONNER'S WATER

An urn containing what is believed to be the cremated remains of Frank B. Evans was discovered in Donner Lake Monday morning by Sgt. Rodney D. Young of Stead Air Force Base.

Young told sheriff's officers Roy Waters and Leo Zander he was skin diving near the public beach when he found the container about ten feet from shore in over five feet of water.

Attached information indicated cremation had taken place in Reno, July 3, 1961. In November the urn was claimed by a relative at a Nevada funeral home. The container and contents were turned over to County Coroner Alva Hooper, pending further investigation.

TRUCKEE DRIVERS WIN RENO EVENTS

Truckee drivers placed one, two, three in the hardtop main event last weekend in Reno Stock Car Association action at the Reno Speedway.

Ron Gautsche topped the field, with Harry Causey second and George Davis third. In addition, Causey won a challenge match with John Zimdars of Reno and Glenn Coffey took a stock trophy dash. In the semi-main event Les Androvis of Truckee was fourth.

Ron Wells of Reno won the stock car main event and set a new track record for stockers in 19.86 seconds, topping the old record of 20.06 held by Bob Brown of Reno.

JEEPS WILL SCALE CREST OF SIERRA

GEORGETOWN — The yearly Jeepers Jamboree trek over the crest of the Sierra via Georgetown Divide and the Rubicon country to Lake Tahoe will take place this weekend. Jeepmaster Mark Smith reports 225 Jeeps and 775 riders have registered for the 10th annual event.

The caravan will leave Georgetown at 7 a. m. Saturday and arrive Sunday on the shore of of Lake Tahoe near Chambers. An overnight stop will be made at Rubicon Springs.

Museum, Gallery Planned at Tahoe

TAHOE CITY — At a meeting held Monday, July 23, in the offices of President Charles Beardsley of the Tahoe Sierra Board of Realtors, Chairman Max Hoff announced plans to hold an historical and art exhibit on August 18-19 at Chambers Lodge in connection with the Tahoe Regatta.

Mrs. Lillian Farr is assisting with collection of historical material and Carl Olander is in charge of the fine arts section. Plans will lead to establishment of a permanent historical museum and art gallery.

The museum, being made possible by Ray Kettenhoffen, Chambers Lodge, who has made land available without charge, is being sponsored by the realtors' board. The organization will set up an historical committee to establish the combination art gallery and historical museum.

On August 18 and 19, "Tahoe on Display" will feature art work by local artists, junior as well as adult, in addition to displaying many early Tahoe relics and mementoes.

Communities surrounding the lake will be contacted for historical material and for paintings and other art forms.

For further information call Carl Olander, JUniper 3-3329, Lillian Farr, JU 3-3605 or Max Hoff, LA 5-7434.

Those present Monday night included Bernice Giannini, Jean Schwartz, Lillian Farr, Betty Goodhue, Max Hoff, Carl Olander and Charles Beardsley.

Another meeting will be held at the Beardsley office Monday, July 30, at 7:30 p.m. Anyone interested in preserving Tahoe's past is invited to attend.

Pioneer Matron Is Laid to Rest

Last rites were held on Tuesday at 2 p. m. in Truckee Colonial Mortuary for Annie Rebceca Tonini, 83, one of this area's most well known residents, who expired in Grass Valley at 1 a. m. Sunday following a long illness.

Officers of Truckee Chapter, Order of the Eastern Star, conducted the rites with the Rev. Sidney Smith officiating. Burial followed in the Truckee cemetery.

Mrs. Tonini, widow of the late Robert A. Tonini, was born in Bismarck Territory of the Dakotas June 14, 1879 and migrated with her family to Penryn, California. In 1906 she came to Boca and has been a resident of this region since that time.

She joined the Rebekah Lodge in 1900, was a past matron of the Eastern Star and was instrumental in the forming of the Wyethia Women's Club. Mrs. Tonini and her late husband operated Tonini's Grocery Store in Truckee until 1946 when she retired.

Surviving are her son, Elden and two grandchildren, Mrs. Mary Ann Haswell and Robert B. Tonini, both of Truckee and two grandchildren. Also surviving is a host of friends who will join in extending sympathy to the family.

Rec Commission Without Money

Although the Truckee Donner Park and Recreation Commisison holds regular meetings on the first Thursday of each month, there is little business to be done since there are no funds available for operation of the district at this time, Director Charles Osburn announced.

Everett Gale of the state division of parks and recreation, met with the board at their last meeting and went over all possible sources of revenue without coming up with any immediate solution.

No funds will be available until next year, Osburn learned. Mrs. Edith Welch is clerk of the commission and meetings are held in the office of the Truckee Public Utility District and the public is invited.

MILL YARD FIRE SOON CONTROLLED

Fire, apparently starting from sparks, last Thursday night at 11 o'clock caused minor damage to the Burney Lumber Company sawmill in Truckee.

The volunteer fire department responded quickly to the alarm and kept the flames confined to the rafters of the mill building.

AGRICULTURAL BORDER STATIONS SURVIVE JOKES AND CRITICISM, PROVE VALUE TO STATE'S ECONOMY

By Edwin S. Capps

SACRAMENTO — (CNS) — The California family returning from a trip didn't look like criminals as they stopped at the border checking station on a northern California highway. They weren't, exactly.

The inspector at the station asked if they were carrying any fruit. Only cherries, the man told the inspector, and they were canned.

However, an inspection showed the cherries were not canned but were merely put in fruit jars, with water poured into them.

This was a unique case where people actually tried to slip something by the inspectors at one of 18 border quarantine stations. Lloyd G. Cranford, of the bureau of plant quarantine in Sacramento, said the same thing on "canned" cherries happens every year.

But those are the rare cases. Generally, the insect or weed pests that are intercepted at the border stations are not known to the would-be carriers. That's why the stations have been operating for more than 40 years.

"Many people look on us as a joke," Cranford said. "They call us bug stations, which we are in a way. But we don't care. We're intercepting the pests and that's what counts."

Take the month of June, for instance. Of the 821,645 cars, trucks and buses that passed the stations, 10,716 were found to be carrying some sort of plant material that could be a host for insects or diseases.

Of these 10.076 lots which were inspected, 2,783 were found to be carrying insects, 1,640 had diseased plants or fruits, and 214 had noxious weeds or weed seeds.

With California's great agricultural economy at stake, it doesn't sound quite so funny.

Attendants at the stations are familiar with the states on which cherries, citrus fruits, flowers, trees or other fruits or plants are quarantined. They know also of states with known infestations. While the inspectors are not scientists, they have basic knowledges of the hosts for the insects or weeds and how to find them.

They also know something about human nature and can spot a person trying to sneak something by as soon as he drives up to the check station.

"There are dozens of signs they look for," Cranford said. "It may be the type of car, the looks of the people, or the type of things they're carrying. It may be the answers—to the questions they're asked."

If contrabrand is found, the people are given the chance of shipping it back from where it came, eating it, or disposing of it. Mainly, it doesn't get across the state line into California.

"We don't like the term, 'seize,' or 'confiscate,'" Cranford said. "Actually, what we do is refuse admittance."

But this can be a problem. Cranford said he just finished dictating a letter in answer to an irate southern California attorney. Last December 23, when passing by the checking station at Blythe, the attorney was "refused admittance" for one pear. His recent inquiry was for the forms with which to file a claim for 10 cents for the pear of which he was deprived.

During June, plum curculios were found on peaches and apples from Texas, Oklahoma, Alabama; citrus whitefly was found on gardenia leaves from Arkansas and Louisiana hickory shuckworm was found in pecan husks from Louisiana and Alabama; apple maggots were found in apples from Idaho and sunflower beetles were found in wheat from Idaho.

Besides passenger vehicles, a major portion of the inspections is done on truckloads of materials, including hay and grain. Many states have cooperative agreements where the trucks are certified to be free of pests before they leave their point of origin.

Noxious weeds are the big thing the inspectors look for in truckloads of hay and grain. During June, the noxious weed seeds found included Canada thistle, quackgrass, Johnson grass, white horsenettle, wild morning glory, Russian knapweed and white top.

California is not free of noxious weeds and many loads of infested material are permitted to enter, so long as they are going to a county already infested. As for grain, many California mills are equipped to eliminate all pests during the milling process. Trucks which are going to approved mills thus miss the inspection.

Cranford admits the whole inspection operation is a percentage thing but he feels they are stopping most of the insects before they are carried into California.

The related activities of the border inspectors — in cooperation with some 37 or 38 agencies—are not a favorite topic of Cranford's. Because the stations are manned 24 hours a day and stop every vehicle entering the state, it's only natural they're called upon by other agencies for assistance.

Thus the hunter who returns with game from another state is likely to be checked out.

This has been a bumper year thus far for the "bug stations." Much of this is due to the World's Fair in Seattle, which has boosted traffic through California more than anyone had anticipated.

HEALTH HAZARDS DURING VACATION CITED BY AGENCY

Vacation time is the period when one relaxes from the tensions of routine work, has fun and enjoys freedom from responsibility. This vacation time restores and builds reserve for the return to regular employment, the Nevada County Health Department advises.

The children, on vacation, are subject to hazards as well as the joy of playing. Cuts may become infected, unsupervised swimming holes may carry virus infections, the department warns.

Some hazards are lessened by the routine immunization, particularly tetanus.

Now is the time to check up on all advised immunizations for your children and look over your records to note that all the young members of the family are protected against smallpox, diptheria, whooping cough, tetanus (lock jaw) and polio, the announcement declared.

REALTORS BOARD GROWS RAPIDLY, ACTIVITY CITED

TAHOE CITY—The Tahoe Sierra Board of Realtors, serving the west and north Lake Tahoe area, has had a phenomenal growth. At a dinner meeting held last week President Charles Beardsley announced that the membership had risen from five on March 1, to 42. The membership should exceed 50, with the processing of sending applications.

Earl Gray is vice president and Norman Hislop is secretary-treasurer. The board of directors consists of Hank Dodd, Earl Washburn, Phil Bonstin, Midge Vandenberg and Max Hoff.

Gordon Moyer also announced the newly formed multiple listing service which had been in existence just over a month had secured gross listings of over $5,000,000.

An educational committe headed by Theresa Denton announced plans for a seminar to be held August 6. The subject will be "How to Determine True Value." This seminar will be divided into three sections: "Land", "Houses", "Commercial".

The Board of Realtors meets weekly for discussion of matters of mutual concern.

ATTEND CONVENTION

Coroner and Mrs. Alva Hooper have returned from Anaheim where they attended the state coroners' convention and visited Disneyland. The convention, held from July 16 to 20, attracted 42 of the state's 58 coroners.

Wild boars are found in Monterey County's hilly areas.

Curtains & Drapes

A large, new stock of window curtains and drapes has just arrived and is now on display.

DIVOT-DIGGERS

By BETTY KIELHOFER

Get your concentration cap on, 'cause we've got a lot of things for you to remember this week.

First, we're off with the qualifying rounds for the championship games. All who wish to enter must qualify by August 12th. Register with Orf (our pro) before going out and once you've declared, you can't change your mind. Your eighteen hole score will decide which class you'll play in.

Bob Leamon has been chosen as our assistant tournament director and will be handling all these affairs when John Firpo can't make it. For this particular tournament, he will be assisted by Bob Moore and Charlie Fink. Once everyone has qualified, the rounds will begin with each pair being given one week to complete their matches. They will be very strict with this ruling this year and anyone not being able to play during the designated period for any reason whatsoever will have to forfeit to his opponent.

The entry fee will be $3.00 and it is being worked up for men, women and juniors from 12 to 16. Anyone over that age would be in the adult class. For more information, contact any of the above fellows. So much for that—Now!

For any of these things coming up, you must have a handicap. This is most important, so please post your scores, even if you only play nine holes. This was discussed at length at Friday night's special meeting. It was decided that for those who play and don't post scores, their handicaps can be automatically lowered two strokes a month so, for heaven's sake, get them down!

Mary Ann Haswell is in the process of planning for the ladies "eclectic" which will be under way immediately. This consists of ten nine-hole games and this must also be declared with the pro before going out. She will have something in the club house soon to explain the way it's played, so check there next time you are up. Now this is great!

The pro, Orf DeLuca, has decided to give free golf lessons to all the kids every Saturday morning at 9:30 a.m. This is a wonderful opportunity for all those boys and girls who have been curious to know if they would like the game to go up and find out. I believe that all the parents should get their children up there and take advantage of this wonderful opportunity.

Golf lessons can be expensive and I think it's great of Orf to make this contribution to them and also very kind of Alex and Jackie to offer the practice fairway. Here's your chance, kids! It isn't every day a chance like this comes along.

Last but not least—for a contribution of one dollar, you may enter a "beat the pro" tournament at the Ponderosa course. This means your score will be sent in to headquarters and if your net score beats that of Betsy Rawls, Bob Rosburg, Mickey Wright and Bill Casper, when they play off in September, you will win a medal. This is going on all over the country and the proceeds go to the American Cancer Society, so it's very worthwhile. The entry blanks are at the club house and you may enter as many times as you wish. Tally ho!

All but one of Magellans ships, which circled the globe in search of spices, foundered.

Lake Tahoe-Sierra Chamber of Commerce met Thursday at the Kings Beach Bowl for luncheon and business meeting. Dedication of the completion of State Highway 28 will be held on Friday July 27 with ceremonies—ribbon cutting—scheduled at the area between Earl Gray's office and the service station. Legislators and highway officials and Alex Madonna have been invited to participate in the event.

Present at the meeting were president, Selby Calkins; manager, Fred Schultz, Sandy Poulsen, Florence Brown, Velda Farris, Carlton Konarske, Bethel Van Tassell, Ted Stollery, Bob Daneri, Bill Elliott and Tom James.

With the completion of the state highway, the Truckee short cut will be next to undergo new construction. Work was scheduled to start July 21 with detour from the summit coming down to National Avenue at Tahoe Vista.

Bud and Carol Alario and children, Greg, Jimmy and Jeff of San Jose are visiting Bud's parents, George and Iris Alario, at Tahoe Vista.

Carol Dodson, Sandy Davidson, Ladean Dolke of Martinez, Kathy Bason and Paula Conant of Berkeley,, are vacationing at Tahoe Vista with friends, Linda Brooks, Judi and Nancy Staffelbach and Teri Samsel.

Al and Anna Burghardt of Tahoe Vista welcomed a baby son on July 19. Gregory John was born at St. Mary's Hospital in Reno. Awaiting his arrival home were brothers and sisters, Gail, Stephen, Terry, Tommy and Danny and paternal grandparents, the R. T. Burghardts.

Bobbie Sumner of Los Angeles has been visiting his father, Robert, at Brockway for his annual summer vacation.

Post card from Pearl Draney of Incline Beach who is attending the church conference at Asilomar indicates that although very busy there is time to enjoy the scenic beauty at Carmel and Pacific Grove.

Our Lady of the Lake Guild is devoting much time to a benefit drive for the Assumption Parish of the Kings Beach Catholic Church, according to Pat Crow who is chairman. Alex and Reno Jo Kingaard of Tahoe Vista have donated a 14-foot boat with a 40 HP motor. Eileen Wilen is president of the guild and, along with Pat, assistants will be Rita Weiss, Gen Brockelsby, Lorraine Briscoe, Paula Gurney and Virginia Cassela. Contact any one of this committee for information. The boat will be awarded September 2 and is on display at the Brockway Golf Course courtesy of Pete Bennett.

Our little blushing bride *blushed* because her stove was the *saddest sight* in seven states. Small wonder. She used to cook on a so-called "flameless" (but not *blameless*) range. Boil-overs, caused by *Hangover Heat*, were a constant problem. Poor dear wore her hands and temper raw cleaning up unsightly messes caused by coils that were still *"hot"* when they were *"off."*

Then she switched to wonderful GAS! Boil-overs *banished forever!* She had *1001 different heat settings* at her command. GAS is *on* and *off* — instantly.

We've cooked up a special *bonus buy* on a direct factory purchase. You'll save a *fat $20 bill* if you buy this new GAS range *today.*

WARNING FLARES ON ROAD MUST BE RED

Flares used as highway warning markers must be red in color, Lieut. O. P. Ledford, officer in charge of the California Highway Patrol's Truckee substation, reminded motorists.

"A law which became effective last September prohibits the use of flares of any color but red to warn of a stalled vehicle or any other traffic hazard.

The lieutenant pointed out that in some areas of the state flares of various colors had been offered for sale as highway warning devices.

He also cautioned motorists who set out flares at the scene of a highway hazard to be particularly careful that no gasoline or oil is on the roadway, and that flares are kept well away from brush and roadside grass.

ALL IN READINESS TO SNIP RIBBON ON TAHOE ROAD

KINGS BEACH — Fred Schultz, manager of the Lake Tahoe-Sierra Chamber of Commerce, reminds area residents of the ribbon cutting and dedication of Highway 28 on Friday, July 27.

The ceremonies will commence with a parade, at the corner of Highway 28, Bear and Brook Streets in Kings Beach. The parade line-up will start at 9 a. m. Parade starts at 10 a. m. sharp.

Following this tour of the four lane section from California-Nevada stateline through Tahoe Vista there will be introductions of visiting dignitaries, speeches and the ribbon cutting ceremony at a location between Earl Gray's Brooklake Lodge and the Flying "A" station in Kings Beach.

Clubs of the north Tahoe region have been contacted and have indicated that entries, adorned with current entertainment, will be present for the affair. In addition, there will be several chamber vehicles as well as local saddle set entrants. Frank Sinatra's Cal-Neva Lodge is planning to enter two cars.

Word has been received that Harry D. Freeman, deputy state director of public works, and Alan S. Hart, assistant state highway engineer, will be on hand. Assemblyman Paul J. Lunardi and Senator Ron Cameron will represent the legislature. Chairman William Briner will represent the Placer County board of supervisors.

A feature of the event will be closed circuit TV by North Shore TV and Camera store. This will provide the chamber with a video tape of the entire affair. Bits of the more than 80 foot ribbon, as souvenirs, will be prepared by the chamber for distribution after the ceremony.

"This dedication is one of many scheduled in the north Lake Tahoe area," Schultz concluded. "Our new airport will soon be completed. The California wildlife conservation board's public boat ramp is nearing the day of public use and we will have a complete new road from Truckee and Highway 40 later this year."

STATE PARK BOARD IS SEEKING MONEY FOR CASCADE LAND

Reports from San Francisco indicate the California state park commission has voted to seek $22 million from the legislature next year to buy beach and park land in various parts of the state. Included in proposed purchases are 600 acres at Cascade Lake, adjoining Emerald Bay in the Tahoe area. This parcel would cost about $1,500,000.

The Bud Bollocks and Dick Ciandros were hosts at a dinner party given to Naita Aiello of Monterey last week. It was a "Sweet Sixteen" party and after dinner and opening of gifts, the young set invaded our rumpus room for dancing and ping pong. Naita has been the house guest of Bobby and Dick Ciandro and has taken such a liking to our mountains, she has convinced her parents to let her stay on.

Just shows how much I get around. Here Julie "Sweetie-Pie" Clark has been home for two weeks, after an extended stay in Hawaii with her daughter, and I just got wind of it. Welcome home, Julie, we missed you and are glad to have you back.

* * *

At a time like this, there is nothing much anyone can do or say to ease the shock of such a tragedy such as happened last Thursday to one of our young people. But deepest sympathy is extended to the family of "Augie" Fisher. From experiences of our own, though, we know time will be the best healer.

* * *

The meeting of the Donner Lake Volunteer Fire Department Auxiliary was held last Thursday at the Bird and Bottle. A delicious chicken dinner was served and hostesses, Gill and Maxie, outdid themselves with their clever beach scene decorations. A few of the board members of the fire department were present to discuss plans for a late summer event. Everyone's attention was called to the importance of knowing where the nearest stand-off pipe and shut-off valve is located in the event of a fire in our own homes, and if they are in readiness to the firemen on call. It has been noted that some of these boxes are cluttered with debris and rocks. For the safety of all concerned we should all make sure they are available for instant use. Where is your nearest out-let and is it ready in the case of fire? BETTER LOOK SEE.

* * *

Well, I guess this last week has been "get together with old coffee shop customer" week at our house. It was such a pleasant surprise to have old customers going through the area stop in just to say hello. Betty and Bill Starrat of Carmichael with daughter Lynn, Edith and Virgil Dorann of Los Angeles, old regulars in the Wagner place of Donner Shore Resort, and the most regular of the by-gone days at Donner Pines Motel were Doug and Marion Frank of Fresno. They came to celebrate their wedding anniversary, an even dozen, and we did just that by having dinner at Crystal Bay.

Deepest sympathy goes out to Margaret Scardina of Loch Leven Lodge, whose mother, Mrs. Margaret Stanton passed away on Monday. Teddie, as we all know her, flew to Los Angeles for the funeral.

* * *

So instead of griping this week, we will give a hand of applause to whoever was responsible for giving us our water supply back. Understand the big pump they installed is doing more than adequate for our area and it sure is a relief to turn on the faucet and have water.

* * *

Golly, forgot to mention that our meeting last Thursday was one of the best attended in months and we are all looking forward to bigger and better goings on. Janet Franklin wishes to thank everyone personally, but this will have to do, eh, Janet?

* * *

Knew sometime ago Mrs. Scott, one of our elementary teachers, would be moving in the area near us, but just found out it is really a fact. If it is very late, Mrs. Scott, welcome anyway. What with Arlene Roth, Prudence Manly, Paula Quist, Florence Lang, Mrs. Osborne, and now you right within a block of each other, we consider ourselves one of the best teachered "neighborhoods" on Donner.

JUNIOR REGATTA OFFERS THRILLS TO SUNDAY CROWD

TAHOE CITY — Ralph Peer, II, reports the Tahoe Yacht Club first junior outboard regatta Sunday was most successful and attracted a good crowd.

The first race (7½ H.P. and under —age limit 13 years) saw Alfred Saroni take first place over Warren Bray by a considerable margin. The 19 H.P. and under class proved to be one of the most interesting of the morning because of the large field of boats that entered. Peter Charles finished first with Dick Pomin second and Bobbie Mullin, third right in the wake. The Class B hydroplane event was won by Rocky Mullin.

The 20 through 36 H.P. race featured an unusual treat for the spectators as both entrants had identical boats and motors. Since the boats were neck and neck all the way, every turn became interesting. Bucky McNeil emerged victorious with Jim Chamberlain taking a close second. In the 37 through 50 H.P. race the first turn was crowded, but then the field spaced itself. Howard Davis was first, Don Deadly second, and Bucky McNeil third.

Two brothers vied for first place in the B Utilities race. Due to a late start and a slightly slower boat, Rocky Mullin won with a fair amount of open water over Danny Mullin. The last race of the morning was the unlimited horsepower class. The three entrants spaced out shortly after the starting flag was dropped and held their positions for the remainder of the race. Jon Hill was first, Ralph Peer, II, second, and Bevan Jones, third.

GIANT SOUTH SEA MARLIN TO CENTER BENEFIT AT TAHOE

TAHOE CITY— It seems safe to say that very few fish make the trip from the South Pacific to the shores of Lake Tahoe in order to be the feature attraction at a party —but such is the claim to fame of the giant marlin which arrived in Tahoe City last weekend. This fish is renowned for another important reason—it is the largest Pacific blue marlin ever captured, weighing 1,009 pounds and measuring 15 feet long.

The marlin will be on exhibition for one day only, Sunday, August 12, starting at 3 p.m. at the Aloha Marlin Party, given for the benefit of Corpus Christi Church in Tahoe City.

Besides seeing the fish, guests at the party will enjoy Hawaiian dancing exhibitions, boat rides on Lake Tahoe, and refreshment booths for children and adults. Between 7 and 9 p.m. an outstanding buffet dinner will be served, followed by dancing under the stars to live music.

Tickets for the Marlin Party at $2.50 each are available from Mrs. Martin Spitsen, Box 65, Tahoe City, and are also on sale at the churches after each Mass on Sundays, both in Tahoe City and at Squaw Valley.

The route to the Aloha Marlin Party, which will be held at the Hauserman residence, one mile south of Homewood, will be clearly marked by fish signs along the highway.

There are approximately 650 anmals and 350 birds in the San Francisco Zoological Gardens.

Lethal radiation fallout occurred nearly 200 miles from the center of the first Pacific nuclear explosion tests.

ELECTRICITY is your Faithful Servant

Nothing in your home provides more service than your modern electric appliances and nothing gives more satisfaction at such low cost.

You press a switch and your clothes are washed and dried—your dishes washed—your cooking is done—your television gives pleasure and relaxation—your home is well lighted—hot water is always available and your home is kept comfortably air conditioned.

Best of all, compared to other commodities, electricity is cheap—use more of it.

Ponderosa Club In Fall Golf Matches

Writing in the Sacramento Union, Beth Hightower says that Tom Lo Presti, one of Northern California Professional Golf Association's leading "idea men" may have found the answer to golf's summer doldrums.

The answer, she says, lies in the 54-hole Pro-Amateur tournament at North Tahoe and Truckee on September 8-9 and 10.

Lo Presti, accompanied by the association secretary, Dave Manour, spent two days at Tahoe where he explained the interesting concept of his tournament to the sponsoring Cal-Neva Lodge and North Shore and Crystal Bay Clubs and then inspected the courses at Tahoe City, Brockway and Ponderosa where the games will be played.

Lo Presti said they have invited 65 pros and 195 amateurs and 40 women to compete for the $8,500 purse.

The new Ponderosa Golf Club is operated by Jackie Jensen, nationally known athlete and his partner, Alex Stewart, and will be included for the first time in the tournament.

CONSERVATION IS DISCUSSED IN BOOK

"How To Hold Your Conservation Meeting," a booklet outlining programs for discussion of conservation of our national resources has been published by the United States Forest Service.

The booklet is a summary of conservation programs and outlines the work which can be accomplished by various organizations including women's groups, service clubs, and youth groups in this field.

Copies of the booklet may be obtained by contacting Congressman Harold T. (Bizz) Johnson, Room 1031, New House Office Building, Washington, D. C.

The Monterey or radiata pine, as it is known in New Zealand, was taken from California to Australia in the 1850s by miners returning from the Gold Rush.

VIOLATORS BLAMED FOR FATAL MISHAPS

More than four-fifths of the fatal and injury accidents which occurred in California last year involved a traffic violation, Highway Patrol Commissioner Bradford M. Crittenden said.

"At least one violation was present in 2 per cent of the 108,999 accidents reported in 1961.

"The simple expedient of lawful driving could have saved more than 3,100 of the 3,839 lives lost, and 135,000 of the 163,945 persons injured.

"Carelessness, inattention, physical disability, bad weather — all are frequently named as accident causes. The factor which appears most often, however, is non-compliance with law.

"If you want to avoid an accident, drive legally. This is your best safeguard against tragedy on the highway," the commissioner said.

DAVIS GIRL TO WED SON OF LAKE DOCTOR

From Davis comes the story that a party in the home of Mr. and Mrs. Gray Rowe was the occasion for announcing the engagement of their daughter, Gary Louise, to Martin L. Prescott.

The future bridegroom is the son of Dr. Walton Prescott of Kings Beach and Mrs. Hilma Prescott of Oakland. Miss Rowe is a graduate of Davis High School and attended University of California at Davis.

Her fiance was graduated from Tahoe Truckee High School and Menlo Park Junior College. Plans are fo ra wedding in September.

John C. Fremont became the first United States governor of California January 19, 1847.

RABID BAT BITE STIRS WARNING FOR PETS' SHOTS

Dr. Ray Wiser, deputy Nevada County health officer, this week issued a warning to all pet owners to have their animals vaccinated at once as a precaution against rabies.

The warning following an incident at Donner Lake last week in which a seven year old Sparks, Nevada girl was bitten by a rabid bat and is now undergoing the Pasteur treatment. While this marked the first required rabies treatment in many years in this locality, Dr. Wiser after conferring with Dr. Eldridge Best, county health officer, determined to act immediately to prevent a reoccurrence.

Parents are asked to warn their children of the dangers of playing with sick, or even well animals with which they are not familiar, such as squirrels, chipmunks and especially ill bats.

In event a person is bitten by an animal, immediate precautions should be taken to see that it is not rabid. That can be determined only by an expert examination of the animal's head, so Dr. Wiser said that in all cases, whether the animal is destroyed or not, the head should be preserved until the required examination is made.

"We do not intend to alarm anyone," Dr. Wiser declared, "but it is far better to be safe in a doubtful case than to be sorry."

EX-TRUCKEE MAN HEADS DEMOCRATS IN KERN COUNTY

The Bakersfield Californian last week carried a three column picture of the Kern County Democratic Central Committee outlining strategy for the coming election campaign.

Centering the photo, a newly elected chairman of the committee, is William A. Carver, one time Truckee attorney, who left here a few years ago to make his home in Kern County.

BANK DIVIDEND

A regular quarterly dividend of 50 cents a share on Bank of America National Trust and Savings Association capital stock was declared July 17 by the bank's board of directors meeting in San Francisco. The dividend, which is at the annual rate of $2 per share, is payable August 31 to shareholders of record August 3.

EDMUNDS SPONSORS INDUSTRY GROWTH PLANS RESOLUTION

At their last meeting, members of the Nevada County Planning Commission adopted a resolution presented by Chairman Cecil Edmunds designed to encourage the development of new industries in the unincorporated areas of the county.

The resolution, titled Industrial Development Policy, follows:

WHEREAS, various industries have expressed interest in locating within the unincorporated territory of the County of Nevada, and it is recognized that new industries provide employment and income necessary for the well-being of the present and future population, and

WHEREAS, use permits are required for certain types of industries, in the A-1 District as provided in the Nevada County Zoning Enabling Ordinance, and

WHEREAS, a statement of policy regarding industrial use is necessary to guide potential industrialists in making decisions for future development;

NOW THEREFORE BE IT RESOLVED, that the Planning Commission of the County of Nevada will encourage to the extent of its responsibility, the development of suitable industries in locations which will promote the orderly and beneficial development of the county and the areas therein.

FLORISTON MAN WINS EDUCATION ADVANCE

The federal commissioner of education has advised Congressman Harold T. (Bizz) Johnson of the 2nd District that John Keith Sales of Floriston has been awarded a fellowship for study at the University of Nevada in geology and related earth sciences.

This fellowship was granted under the national defense graduate fellowship program, designed to prepare young people for college teaching through additional graduate work.

Johnson commended Sales for his fine work in the past and in his interest in the field of teaching. The local congressman said that "if this nation is to keep pace with the technological, sociological and political advances of a fast moving atomic age, we must have good schools and our yong people must receive the best education possible."

San Francisco is relatively warm in winter and cool in summer.

Dates of the Sierra Bible Chapel Vacation Bible School will be August 13 through 24. The theme this year is Patriots for Christ, one of universal interest. Much preparation is being made to offer each child a book of his own as well as individual handcraft to take home. Bible stories will be seen as well as heard and the practical application made on each age level. Many new choruses will be learned as well as some of the great hymns of the faith reviewed.

The material used is evangelical and nondenominational, published by Scripture Press which serves many denominations that specialize in teaching the word of God on every age level. There is no charge for this school; an offering will be taken each day for those who wish to give.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School, 9:30 a. m.
Morning Services, 11 a. m.
Wednesday evening meetings will be held the third Wednesday in the month, during June, July and August.

Progress depends on spiritually meaningful activity. This is a theme of the lesson-sermon entitled "Truth" at Christian Science church services Sunday.

Scriptural passages will include these verses from Proverbs (4): "Let thine eyes look right on, and let thine eyelids look straight before thee. Ponder the path of thy feet, and let all thy ways be established."

A citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 323): "In order to apprehend more, we must put into practice what we already know. We must recollect that truth is demonstrable when understood, and that good is not understood until demonstrated."

The golden text is from II Timothy (2): "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

COLLEGE ART SHOW FOR PUBLIC AUG. 2 AT KINGS BEACH

KINGS BEACH— Art classes of the Sierra College summer session will present an art show for the public at Kings Beach elementary school Thursday, August 2, both afternoon and evening.

Culminating a six-week session at Kings Beach, students in elementary school art, art structure and color and design will exhibit their work, executed in some 25 techniques, ranging from simple design in charcoal and color to finger painting, water colors and mosaic tile work. The public is invited from 2 to 5 and 7 to 9 p.m. There is no charge and refreshments will be served.

Art courses have been a part of the first summer session staged at Tahoe by the local junior college and are taught of Mrs. Vesta Chastain, college instructor and art consultant for the Auburn schools.

Other college courses offered in this pilot program at Kings Beach are American history and government and political science. Forty-four people are enrolled in the summer courses.

Dean Frank Van Vliet is in charge of the summer college, held this year both at the Rocklin campus and at the lake.

COMEDY DUO PLAY AT NEVADA LODGE

The comical "Cutups" are the featured act in the Theater-Bar of the Nevada Lodge, on the north end of Lake Tahoe. The two young men play nine musical instruments and present fast-moving comedy-skits plus vocal numbers ranging from ballads to bedlam. The "Cutups" are top showmen with a long list of appearances in leading night clubs and television. They have recordings on both Dot and Imperial labels, their biggest hit being " A Whole Lotta Shakin' Goin On."

The "Cutups" combine their musical versatility for incomparable impressions of show-business greats, hilarious comedy routines, and their show-stopping satire on hillbilly music.

The Bernie Jones Quintette shares the Nevada Lodge Theater-Bar spotlight with the Cutups, with Joyce King belting out the songs in the rollicking comedy routines presented by this fast-paced group. Both great acts will be featured through August 8 at the Theater-Bar.

EMBLEM CLUBBERS IN SOCIAL MEETING

KINGS BEACH — The Tahoe Sierra Emblem Club met at member Jerry Rayburn's home at Incline, on the shore of Lake Tahoe, Thursday afternoon, July 19. All present enjoyed themselves immensely. Guests swam or visited. Tea was served and plans formed for a luncheon and bingo party to be held at the North Shore Club, Wednesday, August 15.

Member Macie Henke brought a guest, Mrs. Ethel Seaman, who is a member of the Emblem Club in Seattle, Washington. Mrs. Seaman and husband recently returned from a five year stay in Anchorage, Alaska. They have just purchased the Tahoe Marina Lodge in Tahoe City and expect to reside here permanently.

PAST PRESIDENTS TO BE HONORED BY LAKE WOMEN

TAHOE CITY—A luncheon and special program will be held at 12:30 p. m., August 2 at Homewood Hotel, honoring past presidents of the Tahoe City Womens Club. For reservations, phone Mrs. Howard Guth at JUniper 3-3984 or write Box 92, Tahoe City.

The first meeting of the club was held in the home of Mrs. George Bliss on May 5, 1927, with 38 ladies present.

The current president, Mrs. Joyce Spitzen, especially requests the presence of all past presidents and guests at the affair on the 2nd.

Cones of the Inland red cedar are about ¾ inches long.

NEW 'JEEP' TORNADO-OHC ENGINE

You'll be amazed at its performance!

Presenting the Tornado-OHC, America's first overhead camshaft engine designed specially for commercial vehicles.

WHAT IS AN OHC ENGINE? In a conventional engine, the valves are on top—the camshaft, which operates them, down below. The Tornado-OHC has overhead valves and an overhead camshaft—which is what OHC stands for. The simplicity of this system—it has 36 fewer moving parts—makes it much more efficient. It produces 33% more power with up to 25% better gas economy—needs less maintenance and lasts much longer.

COME IN AND TEST DRIVE THE TORNADO-OHC ENGINE—now available in 'Jeep' Pick-ups, 4-wheel drive Utility Wagons, 2-wheel drive Station Wagons and Panel Deliveries.

Brockway Bakery, Pine Cone Fountain and Len's of Tahoe are assisting the committee also.

Talawanda—the Indian name for "Winds in the Pines"—a delightful girls camp in the Tahoe National Forest, is back of Tahoe Vista. Mrs. Wilma McFarlane, a Modesto resident, has operated the camp since 1932 and is equipped for an average of 62 girls and leaders. The beautiful natural location is in the Tahoe National Forest. A wide program of activities keep the girls busy and interested—sports, dramatics, crafts, overnight hikes, campfires, beach days, swimming, skating and trips to historical points.

San Francisco artist, Katharine de Tyrtaff, who is a guest at Tahoe Vista invited Pieter Van Tassel to attend the show the dramatic students gave on Saturday night. Boys from Camp Arbutus on the west shore were invited. A most interesting show according to those attending.

Katharine de Tryrtaff of San Francisco and her guest at Camp Talawanda, Kristi Tarnutzer, were Sunday guests of Bethel Van Tassel and son, Pieter, at a barbecue luncheon.

Katharine is scheduled to give an art exhibit of her work at San Anselmo next month. The north shore of Lake Tahoe will be a participant as during her stay at Tahoe Vista many water colors were made of that area and these will be exhibited at her show.

Up from Sausalito for a two weeks vacation at their Tahoe Vista cabin—it is a cabin, too—are Jerry and June Richards and daughter, Terri. Jerry is especially enjoying the sun and swimming as it is his first real vacation in 20 years.

Friends will be interested to learn of the marriage of Charles "Chuck" Bergman in Reno on July 21. Chuck was married to Kathy Heit of Reno.

The marriage was held in the Little Chapel in Reno at 8 o'clock. The bride wore a lovely dress of light orange color and carried a gardenia corsage. The groom's mother, Barbara Bergman, wore a powder blue sheath with white accessories and a gardenia corsage.

Reception was held at the home of the groom's parents, Ray and Barbara Bergman in Reno. The Bergman family formerly resided at Kings Beach.

The young couple will make their home in southern California as Chuck is stationed at Vandenberg Air Force Base.

Attending the wedding from Kings Beach were Beverly Newell, Chuck's aunt, and Walton Prescott.

Mel Throop of Kings Beach is back to his desk at the M. H. Dodd Co. and progressing satisfactorily after his recent illness.

George and Sandra Pergin of Riverside are visiting Sandra's parents, Jack and Velda Farris, at Kings Beach.

Our deepest sympathy is extended to Dan and Louise Anderson of Tahoe Vista on the tragic death of their son, Richard, in a car accident last week.

Carl and Betty Moran of Allegheny were guests of John and Jerri Rayburn at Incline Beach last week.

Leif William Ellison made his arrival at Tahoe Forest Hospital on July 17 weighing in at 6 pounds, 8 ounces to parents, William and Janet Ellison of Kings Beach.

Baby Leif has an older brother, Eric. Eric celebrated his first birthday on June 13. Members of his mother's kindergarten class enjoyed the day with him. Paternal grandmother, Mrs. Earl Ellison, and maternal grandparents, Mr. and Mrs. Stanley Swinney, of El Cerrito were Eric's special guests.

Optimist Club met at the Crystal Bay Club last Wednesday evening to hear a representative of the telephone company discuss the new Telestar satellite. President Bill Ellison, announced that the Optimists were sponsoring a hole in one golf tournament at the Brockway Golf Course for three weekends, starting Saturday, July 28. Ken Zoppi of Kings Beach will chairman the affair with prizes to be awarded.

H. E. and Tracy Shipley of Tahoe Vista were Sacramento, Roseville and Marysville visitors last week. Visited Mr. and Mrs. L. C. Miller at Marysville, who formerly lived at Tahoe Vista. Also saw Mr. and Mrs. Bill Hughes of Sacramento. Enjoyed the trip but found the weather very hot.

"Slim" has almost completely recovered from his recent accident when his leg was severely cut by a saw.

WELCH CONDUCTS SIERRA BOARD MEET

Harold Welch of Truckee, newly elected president of the board of trustees of Sierra College, conducted the first regular meeting of the board for the ensuing school year.

The board elected Floyd Brown of Woodland to serve as registrar. District Superintendent Harold Weaver recommended that the duties of the registrar be revised, providing for a non-certificated employee to be eligible to hold the office. Brown, who formerly held the position of welfare director in Yolo County, will assume limited duties formerly performed by James McClusky, resigned.

LUNARDI SEEKING BETTER FEE BREAK ON SMALLER UNITS

"The needs of California's motoring public are not being adequately served by current commercial vehicle weight fees."

With these words, Assemblyman Paul J. Lunardi this week said that relief may be just a session away for thousands of owners and operators of pick-up trucks, economy class commercial vehicles and sportsmen and campers, unable to obtain commercial plates for their vehicles if they weigh less than 3,000 pounds.

"The present minimum limitation undoubtedly reflected actual vehicle weights at the time it was enacted and the vast majority of eligible vehicles could meet the weight requirement." But Lunardi reported that "today the commercial vehicle picture has changed with the development of small pick-up varieties and compacts used for commercial hauling and delivery.

"The introduction and use of the smaller vehicle has had beneficial effects on traffic safety with the lessening of traffic and parking congestion, but it has become increasingly apparent that present vehicle code provisions deny the owners of these smaller vehicles the right to pay weight fees and obtain commercial plates, and these provisions tend to discourage the smaller vehicles' most effective use."

Assemblyman Lunardi urges a more realistic approach to the commercial vehicle weight fee system in California.

ONE WEEK STAND FOR DEAN MARTIN OPENS ON FRIDAY

Dean Martin, whose show business experience encompasses just about everything a single performer can do, headlines Frank Sinatra's Celebrity Room at Cal-Neva Lodge Friday, July 27.

Two years ago Martin packed the Cal-Neva Indian Room and, on the 27th, moves into the bigger, plushier Celebrity Room for a one-week booking. Martin brings with him the new, exciting dance team, Brascia and Tybee, whose routines have played the nation's finest hotels, supper clubs and night spots.

Freddie Bell and his Bell Boys head the impressive Cal-Neva Lounge billing with Donnie Brooks, Linda Leigh and her Lads and the Florida sensation, Willie Restrum and his combo, high on the rhythm beat.

DANGER TO FOREST IN '62 FIRE SEASON PROMPTS WARNING

An alarming increase in man-caused forest fires was pointed out today by Robert Gordon Sproul, chairman of the California State Chamber of Commerce statewide natural resources committee.

Despite normal winter precipitation, Dr. Sproul commented, extremely dry spring weather has made it essential that all vacationers exercise extreme caution during the critical fire period ahead.

There have been 35 per cent more fires from January 1 to June 30, 1962 than the average for the same six-month period in the five preceding years, according to the State Division of Forestry. Their records show a total of 959 fires on forest, range and watershed areas under their protection this year, compared with 862 fires in the same period last year, and 652 in the first six months of 1960 Dr Sproul noted that, of this year's total, 935 fires were caused by man's thoughtlessness

Dollar damage increased 11 per cent over the similar period last year, and 145 per cent over the first six months of 1960 on lands protected by the State Division of Forestry.

National forest lands suffered 273 fires during the first six months of this year, of which 72 per cent were man caused, as compared with 47 per cent during the same period last year.

KILLED IN TRAFFIC

(Continued from Page 1)

Route 28 at the itnersection of the Lake Forest Road.

Gorham, an equipment operator at Alpine Meadows and well known throughout the area, came out of the Lake Forest road onto the highway and his car went out of control, throwing him out. He was rushed to the Tahoe Forest Hospital by Truckee Ambulance, but expired shortly before 6 p. m.

The body was taken to the Truckee Colonial Mortuary.

San Franciscan Dies

Johannes F. Dona, 72, of San Francisco died yetserday at 9:10 a. m. when his westbound car went over an embankment on Donner Summit near the Magic Carpet in the Norden area. His wife, Millamina, 65, was critically injured and was taken to the Tahoe Forest Hospital by ambulance.

The California Highway Patrol investigation revealed Dona evidently suffered a heart seizure, causing him to temporarily lose control of his vehicle.

Forced Off Road

Mrs. Rita Vail of Soda Springs and her small daughter narrowly escaped serious injury Friday when her car was forced off the highway on Donner grade at 1:45 p. m. The California Highway Patrol is seeking the offending driver. The Vail car was badly damaged but the occupants escaped injury.

Summit Wreck

Robert J. Tobys, 25, Sacramento and his passenger, Waltman Ong were injured and taken to the Tahoe Forest Hospital Sunday at 1:30 p. m. when the light car crashed into the rocks on Donner grade when they attempted to pass another vehicle. Tobys was cited for speeding.

SIERRA SUN ADS PAY

MY PLACE in the SUN

(Continued from Page 1)

palette and canvas.....maybe longer than he has.....his lately found skill as an instructor really brings out talent in others.....a real cultural asset to the community..... Out for a walk before breakfast..... again deeply moved by the Sierra sun's first rays striking the crags west of Donner Lake.....while the canyon floor is still shrouded in misty morning shadow.....Saddened a bit by little nests and singles of depleted, deteriorating beer cans at the roadside.....indeed, every litter bit hurts.....Pleasured by talking with Mrs. Lloyd Van Sickle.....who returned on Friday from a fortnight with her hubby in eastern Idaho.....told a harrowing tale of being stranded, gasless, in mid-Nevada, at night, with a truck load of eight horses.....as usual, though, her animated good humor shone through and made the whole thing sound like a lark .....Ernie Siri, with characteristic jodhpurs and cigarette holder, taking his ease at evening near the entrance to the Odd Fellows hall..... visiting with Jerry Zunino.....And Charlie Bandur hurrying along..... his cigarette holder akimbo on a sharp upward diagonal.....Returned for my once-a-year stint with mixed emotion.....as several old friends have faded from the scene .....but have met many fine, enthusiastic new residents.....whose presence augurs well for the continuing vitality of our mountain community.....Am often asked how we like Sacramento.....just fine, thanks.....it's a good place to live .....at the same time, there are few (if any) who know me who do not know I'm from Truckee..... and proud of it.....my family always enjoys coming up, mainly because we are always made to feel welcome and at home..... However, duty calls so must leave again.....hope Mother and Dad enjoyed their brief respite as much as we enjoying "spelling" them for a bit.

THIS COUNTY GETS TAX FUND SHARE

SACRAMENTO — (CNS) — Nevada County received a total of $323,358 in apportionments from the highway users tax fund during the 1961-62 fiscal year, State Controller Alan Cranston reported.

During the year, apportionments from the fund totaled $443,051,812, up $8,761,311 from the previous fiscal year.

Of this total, the counties received $90,834,467, another $36,420,565 went to the cities and $315,796,780 went into the state highway fund for use on state highways.

The fund comes from the 6-cent per gallon tax on gasoline. It is divided with 4 cents going to the state highway fund, 1⅜ cents to the counties and ⅝ cent to the cities.

VETERAN RAILROAD MAN DIES IN SPARKS

Episcopal Church last rites were conducted Monday for Arthur Henry Hill of Sparks. Hill was a locomotive engineer for the Southern Pacific and was affiliated with Truckee Chapter No. 19, Brotherhood of Locomotive Engineers. He was also a member of the Eagles Lodge in Sparks.

Surviving the veteran railroader are his widow, two sons, two sisters and four grandchildren.

From Honolulu—

Eric Roeben, of Honolulu, is visiting his aunts here, Mrs. Joe Corro of Donner Lake and Mrs. Mary Brekas of Lake Tahoe.

Sightseeing Trip—

Mrs. Fosten Wilson, her son Fosten and his friend, Chris Kumle returned from a sightseeing trip which included Seattle World's Fair, Canada, Crater Lake and other points of interest en route.
